Break Out Agenda

- Welcome And Introductions
- The Need For The RSA Group
- Who We Are
- How It Works
- Resources
- How To Get Involved
- Up And Coming Events

The Need

- Stormwater affects everyone
- WSA receives requests for help
 - In the last 3 years, we have fielded almost 300 RSA calls
- WSA Staff needs help

Answering The Call: The RSA Group

- Specialized Steward Engagement group
- 30 Group Members
 - ~10 Active members
- We're looking for more members!

A Special Thanks

- Jan Atwood
 - Class 9 Steward
 - WSA Board Member
- Leader of the RSA Group

How It Works

Intake

- Residents are connected to WSA
- WSA vets the call to ensure it is a right fit
- Key information is shared with the RSA Group Leader

Assignment

- The RSA Group leader assigns the RSA based on:
 - Location
 - Issue
 - Availability

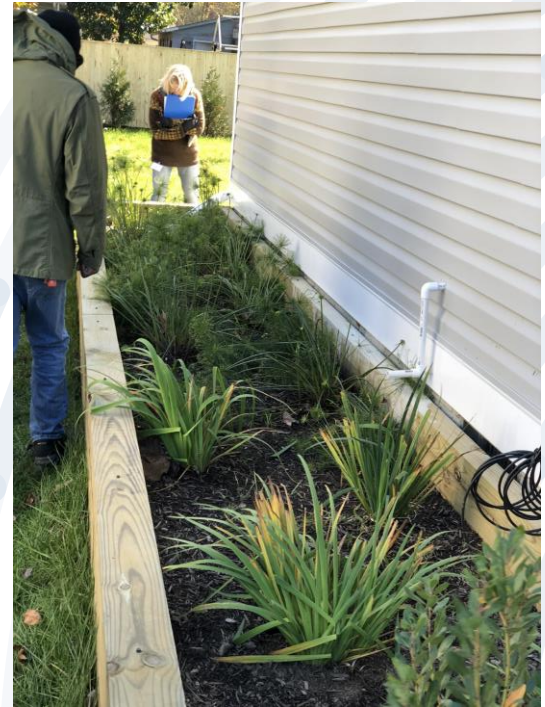

Pre-Site Visit

- Scheduling
- Desk Assessment

Site Visit/Resident Interview

- Residents get a hand off packet
- Stewards interview the resident and use the RSA form to assess the site

The Follow Up

- The RSA Group Member prepares the follow up letter
- The follow up email is sent to the resident
- Logging and reporting

Things To Keep In Mind

- RSAs typically take about 10 hours
- Count towards action hours
- A great way to reinforce certification knowledge
- You don't have to go it alone!
- Satisfaction of a job well done
- Amplifies WSA's mission

Resources

RSA Group Specific Resources

- Additional virtual training and resources
- A revamped, easy to follow RSA Form
- In-person CEU opportunities
- Social events
- Dedicated access to the WSA Restoration Team
