

Module 4 - Care for Creation: Acts of Charity as Acts of Justice

Chapter/Surah 21, Verse/Ayah 30: “..and We created from water every living thing” - the preservation of water is paramount to the natural order found on Earth

Muslim Teachings on Stewardship of Creation through Charity & Justice: PPT Slides & Handout

Drawn from book called Green Deen: What Islam Teaches about Protecting the Planet (The author, Ibrahim Abdul-Matin draws these teachings from the Muslim scholar Faraz Kahn.)

Discussion: Small Groups

- How would you act these tenants out in your lives?
- How can acts of Charity to the Creation be acts of social and environmental justice? What would that look like?
- Actions for Ramadan / other holidays?
- Brainstorm other ways that these teachings can be conveyed: Applying them to Ramadan.
- Small groups work on ideas and report out.

Create a Covenant for Creation - individual or small group. Share as Closing
